

Insurance Waiver

If you would like to participate in a *DriveXotic* event, track insurance is mandatory. Your personal insurance policy **will not** cover your experience.

Track Insurance is per experience (4 or 6 lap session). If you purchase more than one experience, you will need to purchase multiple insurance policies.

I elect to purchase the following policies:

Coverage	Deductible	Cost	Qty	Price
\$ 50,000.00	\$ 5,000.00	\$ 29.00		
\$ 100,000.00	\$ 2,000.00	\$ 49.00		
\$ 200,000.00	\$ 1,000.00	\$ 69.00		
\$ 500,000.00	\$ 1,000.00	\$ 119.00		
			Total	

I (Print Name) _____, do understand, that I am fully financially responsible for:

- (a) Any insurance deductible required to be paid for any damage caused to the vehicle issued to me, on the race track or premises.
- (b) The full amount of damage not covered by the insurance policy purchased by me, which includes returning the damaged vehicle to its prior, undamaged and fully functioning condition.

I hereby acknowledge that I have knowingly and willingly purchased a certain level of insurance and hereby waive the opportunity to purchase a higher level of insurance coverage (if applicable) that could limit (based on your purchased experience) the aforementioned damages. I further acknowledge that I will cooperate fully with the DriveXotic staff in the event that I must utilize my insurance package by providing complete information, immediate payment and anything else necessary to promptly resolve the matter at hand based on the fact that I have already accepted responsibility for the actions.
